problem is this, that especially after lunch, we have them excused when they were excused before and then several come back in at the first Call so with your indulgence, we will go under Call. Senator Peterson, did you want to talk?

SENATOR H. PETERSON: Mr. Chairman, the reason for my Call of the House is that we are going to apparently vote on the bill and I thought we'd just as well get the people here to vote on this one and then if we kill this motion we will go ahead and move the bill if the votes are here.

SPEAKER NICHOL: Okay. Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Mr. President, to go under Call.

SPEAKER NICHOL: The House is under Call. Now please record your presence and unauthorized personnel please leave the floor. Please return to your seats and those listening in in their offices please return to the legislative floor so that we can vote on Senator Howard Peterson's amendment. Several of you have not returned to your desks to record your presence. Please return to your desk and record your presence. Senator Kilgarin, Senator Haberman. We are looking for Senator Sleck, Senator Newell, Senator Lamb. As far as I know they are all here that have been excused including three that were excused. Senator Wagner, if you would return to your desk we would get on with the roll call. Senator Howard Peterson, you wanted a roll call vote? Senator Howard Peterson, did you ask for a roll call vote? Proceed, Mr. Clerk.

CLERK: (Read roll call vote as found on pages 1348-1349 of the Legislative Journal.) 16 ayes, 23 nays, Mr. President.

SPEAKER NICHOL: The Howard Peterson motion fails. Do you have anything further on the bill?

CLERK: Nothing further on the bill, Mr. President.

SPEAKER NICHOL: Okay. Senator Vard Johnson, did you wish to speak to the bill? Before you do, may I announce that Senator Remmers has several guests in the North balcony. They are 8 sixth graders from Sterling, Nebraska. Diana Goldenstein is their teacher. Would you please stand and be recognized. Thank you. Senator Vard Johnson.

SENATOR V. JOHNSON: Are there lights on incidentally? There are no lights on. Okay, well this may be my closing.
